May 8, 2013

Dear valued clients,

We are writing today to provide our clients with some very exciting news about The Best Service Co., Inc. On February 28, 2013, we formally completed a merger/acquisition with another organization, Professional Collection Consultants.

As you may recall, The Best Service Co., Inc. was founded in 1931 and since that time has been in operation as a family owned business. Similarly, Professional Collection Consultants is also a family owned business and has been in operation since 1971. The individuals involved are Todd Shields, Donald Hopp, and Carol Hopp. A new Organizational Chart has been included for your convenience.

The business will continue to be operated as The Best Service Co., Inc., and Roger Milstein will continue to be a vital part of the organization. We have worked diligently together for the past 8 months to assure a smooth and transparent transition for our clients.

The decision to move forward with the merger/acquisition was carefully considered and will be a very positive step in every way. We will be equipped to provide better and more diverse services to our clients. The union of the two companies creates far more financial strength, and by combining the strongest of staff members we have created an exceptional, knowledgeable, dedicated team of collection professionals.

We thank you for your continued support and confidence in The Best Service Co., Inc. over the years. We are confident that this transaction will create opportunity for growth, diversification, enhanced customer service and increased collection results. The merged company has extensive experience in many collection markets, debt purchasing, and a strong legal department with vast experience in collection litigation and post judgment recovery.

On March 18, 2013, we moved our office to: 6700 S. Centinela Ave., Third Floor, Culver City, CA 90230. The mailing address is P.O. Box 45405, Los Angeles, CA 90045. Our existing phone and fax numbers will continue to operate as usual.

Todd Shields will serve as President of the merged company and he will be working in collaboration with Roger Milstein as the company moves forward. We will be scheduling meetings and conference calls in the near future to answer any questions that you may have and discuss some of our improved collection strategies.

Again, we thank you for your continued support, confidence and trust.

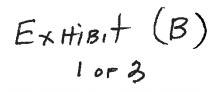

Very truly yours,

THE BEST SERVICE CO., INC.
